Dear Mrs Manley.

We will have base balls for you and your Leagues this year. At this writing I cannot advise you the cost but will secure the information and advise you immediately. I really want to do all possible to hold your League on Wilson Ball. and therefore will see to it the cost is kept as low as is possible.

I would suggest you take advantage of ordering your necessary uniforms to fill out either set or new ones immediately and let me do my best to secure the material – Some flannels are already off the market, prices are up a little but by the 1st of Feb. they will be much higher. Please write me on this at once. Remember me to Mr Manley Sincerely

Bob Rose
